As a reminder, the group camp is dry camping so there are no hookups. Restrooms with showers are within a short walking distance. When you arrive just tell mention you are with Crown of Life and they will direct you to our group site.

FYI, it will be colder than last year so plan accordingly!

Last year we had a great gathering for an impromptu potluck. We would like to try and organize just a little this year. So, use the link [HERE](#) please to sign up for either a main dish or side dish. Hopefully we can have an even spread of main dish and sides. Smores stuff will be provided by Crown of Life as a dessert.
